RAGAN IS NOW ACCEPTING A LIMITED NUMBER OF BREEDINGS FOR 2008!

"I'm amazed at the things we can do with the draft crosses. They have the stamina for the hills we ride on and for carriage driving."

"I was looking for a kinder, gentler ride - a sane yet athletic horse for my children to learn and compete with. The draft cross was perfect!"

"I wanted to raise a horse big enough to carry my husband! And the draft crosses are so willing and easy to train."
